Massachusetts Daughters of the American Revolution, Inc. 2022 SCHOLARSHIP

This scholarship is funded by an account of funds accumulated by the Massachusetts Daughters of the American Revolution (MDAR) over many years. These funds are managed through the MDAR Scholarship finance committee. The amount of the award for this scholarship is based on the actual income from the fund as the principal must be preserved. Actual income in increments of \$1,000 will be made available for scholarships each year. The actual amount and number of scholarships to be presented will be determined annually by the MDAR Scholarship Committee. Any amounts above even \$1,000 amounts will be left in the fund and added to the principal.

While chapter sponsorship is not required a chapter or state chairman may work with the student to put the information together to send to the MDAR State Scholarship Chairman. The state chairman and chapters should follow the instructions carefully on the application form to determine if the applicant meets the criteria of the scholarship.

Please note the following:

- The MDAR State Scholarship Chairman must receive the **complete application and all attachments** postmarked on or before February 10. Do not send separate mailings for the same application. **Incomplete applications or applications with missing attachments will be disqualified.**
